

Advanced Southern Credit (ASC) Courses Available 2025-2026

The following lists of courses represent the current Advanced Southern Credit (ASC) courses offered at our partner high schools.

ASC classes in the high school sync with one or more terms of credit at SOU by aligning with a university course and its description, content, and learning objectives. ASC credits are transcribed exactly the same as if students took these courses at SOU, so the content being delivered in the ASC high school classroom must match the SOU course credit being offered, and alignment is approved by university faculty in the aligning department. SOU department faculty and the Chairs make the final decision for alignment; however, we encourage schools to reach out to the SOU Youth Programs office if they wish to propose a class that is not currently being offered through ASC.

Common Course Numbering: A 'Z' at the end of a course name, such as WR 121Z, denotes that it is approved for Common Course Numbering (CCN), a statewide transfer initiative through the Higher Education Coordinating Commission (HECC).

All course descriptions can be found in the University catalog at catalog.sou.edu.

English & Writing

WR 121Z - Composition I - 4 credits

WR 122Z - Composition II - 4 credits

ENG 104Z - Introduction to Literature - 4 credits

ENG 105Z - Introduction to Literature - 4 credits

ENG 106Z - Introduction to Poetry - 4 credits

ENG 208 - Explorations in Literary Genres - 4 credits

ENG 209 - Literature in the Modern World - 4 credits
